7. Goals/remit

Goals/remits of your organisation:

NGO ABC is a non-profit entity dedicated to the global protection of wildlife, with the primary mission of ensuring the survival of animal species exclusively within their natural habitats. The organisation operates on the firm conviction that true conservation cannot be separated from the integrity of native ecosystems, promoting strategies that discourage captivity and prioritise the maintenance of the complex ecological processes necessary for wildlife to thrive.
NGO ABC focuses its efforts on protecting animal biodiversity through:

- The safeguarding of ecological corridors and protected areas;
- Combating habitat fragmentation and human encroachment;
- Scientific monitoring of indigenous populations to ensure their well-being in the wild.
